- 1 Date/Balsamic dip

A colourful and delicious cheeseboard for Easter

Method of preparation cheese board for Easter

Looking for the perfect cheese board for Easter? This cheese board combines young and old cheeses, perfect for an Easter celebration. From shaved lavender cheese to dots of aged sheep's cheese, and a unique rose of organic Jersey cheese, this cheese board is a real eye-catcher. Prepare for a festive and flavourful Easter with this simple but impressive cheese board!

Preparation

- 1: The pretty flower shape was created by shaving the organic jersey cheese into slices and placing all the slices in a round dish around each other, it gives that lovely effect! The green pesto cheese was cut into wedges and placed in another dish.

Ready to make your own cheeseboard for Easter?

Make this Easter special with a unique cheese board. A feast for the senses that is sure to impress your guests. Don't forget to cut the cheeses in various ways for that playful effect. Happy Easter and enjoy your beautiful and tasty cheese board!
