Preparation

- 1: Peel and crush 3 cloves of garlic.
- 2: Bring a medium saucepan of water to the boil and cook the garlic cloves with it.
- 3: Cut the sweet potato lengthwise into 4 equal slices.
- 4: Cook the sweet potato slices al dente for five minutes and rinse with cold water.
- 5: Chop the cheese, red onion, cucumber and pickle.
- 6: Grill the sweet potato on one side on the barbecue or in a pan. Grill the burger as well.
- 7: Remove half of the sweet potato slices and burgers from the barbecue or pan and place them grilled side up.
- 8: Place the cheese slices on top and bake again, bottom side down, on the barbecue or in the pan.
- 9: Finish the burgers by placing the spinach on top of the cheese, then the burgers with cheese on top and the rest of the garnish on top.
- 10: Brush the sweet potato slices you will use for the top of the cheeseburger with crème fraîche and place them on top of the burger.
