

Ham and cheese toast à la Henri Willig

Ingredients

- 40 gram (or more) Henri Willig Organic Gouda Young cheese
- 40 gram of gammon
- 2 slices of bread of your choice

Looking for a quick but tasty lunch? Then try this ham and cheese sandwich recipe. Our Tosti à la Henri Willig combines the creaminess of Young Cheese with the salty crunch of ham, all squeezed together between two golden brown toasted slices of bread. This recipe is not only easy to follow, but also provides a delicious twist on the classic ham cheese sandwich. Perfect for when you're short on time but still want something delicious to eat.

Preparation

- 1: Place the ham and cheese on the sandwiches.
- 2: Fry the sandwiches in a sandwich iron until the cheese is melted.
- 3: Garnish the sandwich with, for example, cucumber, rocket, red onion and pepper.

Ready to make ham cheese sandwiches?

Try this delicious ham cheese sandwich for a quick and tasty lunch. Experiment with variations by using different types of bread or cheese or adding extra ingredients like tomato, avocado or even a scoop of pesto for an Italian twist. For even more flavour, try serving the sandwich with Henri Willig's unique truffle dip. Visit our webshop for all ingredients and get inspired!
